(Mr. SPEAKER)

Every time I dont't want such comments. I want no member to pass any commentary. If he wants to make any suggestion he must get up and be on his legs so that the House may receive it clearly. Otherwise our Reporters are not able to hear because they would not have switched on and then all kinds of trouble will arise.

I am passing on the suggestion to Government for consideration. I would certainly recommend that it may be done, but I do not think I have got the right to compel the Government.

ಶ್ರೀ ಕೆ. ಪಿ. ರೇವಣಸಿದ್ದಪ್ಪ (ತಿಪಟೂರು).—ತಾವು ಮಾತನಾಡುತ್ತಿರುವಾಗ ಮಧ್ಯೆ ಮಧ್ಯೆ ಇನ್ನೊಬ್ಬರು ಏಳುವ ಹಾಗೆ ಇಲ್ಲ.

Mr. SPEAKER.—He is raising this after the Question Hour is over. What was he doing till then ?

ಶ್ರೀ ಕೆ. ಪಿ. ರೇವಣಸಿದ್ದಪ್ಪ.—ಏಕೆಂದರೆ ಪ್ರಶ್ನೋತ್ತರ ವೇಳೆ ಬಹಳ ಮುಖ್ಯವಾದುದು. ಪ್ರತಿ ಸಾರಿಯೂ ಕೇಳುತ್ತಿದ್ದೇನೆ. ನನ್ನ ಪ್ರಶ್ನೆಗಳು ಜಾಗ್ರತೆ ಬರುವ ಹಾಗೆ ಮಾಡಬೇಕು.

Mr SPEAKER.—We shall see.

Seating Arrangements.

Mr. SPEAKER.—With regard to seating arrangements, 10 members have joined the Congress Party and I believe according to the names given there are 9 members of the P.S.P. and consequential changes have to be made. I am giving directions for the changes. It will be put up on the Notice Board and I will lay it on the Table. If any member wants any minor adjustment that could be done. The principle which I have followed is this, the ruling party is the Congress Party plus 10 immediately adjoining seats to accommodate the 10 new members. When 10 new members change their seats, there will be 10 vacancies here. I am trying to organise Parties as compact blocks. The disturbance will be minimised. If there is any idea which any of the members want to suggest, with regard to this they may do so, by this evening.

GENERAL DISCUSSION ON THE BUDGET FOR 1965-66.

Mr. SPEAKER.—Now the General Discussion on the Budget will go on for the rest of the day. Sri Sunthankar will continue and kindly finish his speech in 5 to 7 minutes.

Sri B. R. SUNTHANKAR (Belgaum City).—Mr. Speaker, yesterday evening I was referring to the wide disparities that are prevailing in every sphere in the State. I pointed out that there are marked differences districtwise in the *per capita* income. Ten districts are below the State average and that shows the extreme poverty in large parts of the State.
